

Wheat Purchase Deadline Extended

The Director of Coordination of Internal Purchase of Iranian Trading Company said that the legal deadline for guaranteed purchase of wheat is until the end of September but the deadline has been extended until the end of October.

Morteza SaadatiKia said; Purchase of wheat has been extended until the end of October and is now being communicated to all provinces of the country so that if the wheat farmers have the opportunity to supply it, they will be able to supply to only silos and state warehouses until the end of October.

He added; to date, seven million seven hundred and fifteen thousand tons of wheat has been purchased from farmers and their payments have been fully made.
